

FRISKA

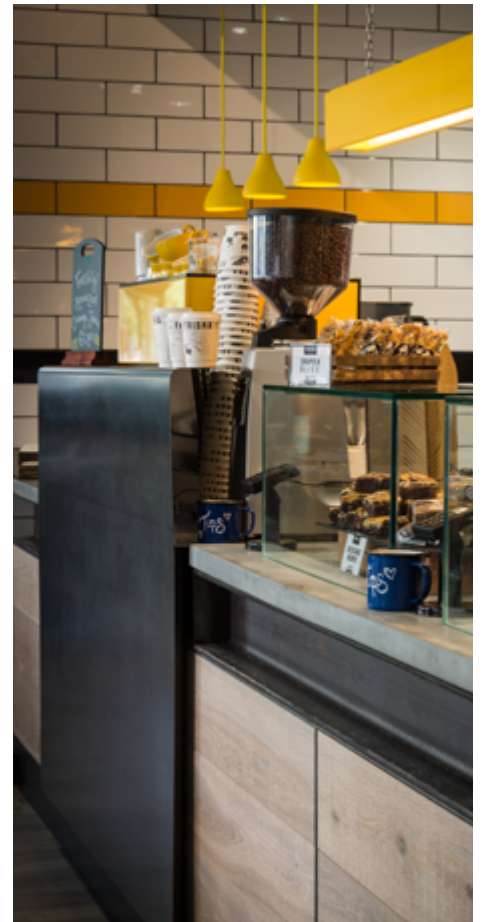

FEEL GOOD FOOD

Friska Store Requirement 2017/18

Popular with landlords as a high quality offer in Grade A office schemes, central transport hubs and major University campus sites. We are looking for new opportunities in busy locations or new developments where landlords are seeking a point of difference and a new food to go brand. Whilst we wish to retain our friendly, independent spirit, we have funding to roll out nationally.

Our requirements:

- A3 use class (will consider A1)
- 1,500 - 2,500 sqft (smaller sites considered for transport hubs)
- Target locations include Central Business Districts, high day time foot fall retail pitches, transport hub sites & University campuses
- Target cities - **South:** Cardiff, Exeter and Reading. **Midlands and North:** Birmingham, Leeds, and Manchester
- Interested in ground floor office locations which could be converted into retail units
