CARRS[®]
Pasties

Baking up a treat since 1938

There's something immensely satisfying about a deliciously warm, freshly baked, Carrs pasty. And something equally satisfying about seeing all those people who love our pasties, walking through our door.

We're Carrs Pasties, a family-run bakery in Bolton. Since 1938, we've stayed true to our pasty principles and stood steadfastly by our standards.

We keep things simple: by instilling clear values, everyone does the right thing, works as a family and fills everything with pride; therefore anyone who walks into one of our stores is greeted with a very warm welcome. It's often said by visitors that there is a buzz around the place, which is true at all levels of the company and will continue to be a priority in future stores.

Quality

Creating pasty perfection is all about insisting on the best ingredients, seasoning with precision and getting the super-thin layer of pastry just right.

baked in.

We use only the finest potatoes, prime cuts of meat and exceptional cheeses, from our list of individually selected independent local suppliers.
